**Parent Volunteer Form**

**Directions:** Use this form to find out about parents who want to volunteer in your homework program.

**Would you like to volunteer at our afterschool program?**

Parent volunteers are extremely valuable components of the educational process. Acting as a parent volunteer is a great way to find out what goes on in your child’s afterschool program and to help support your program and school. Because of the tremendous impact that parent volunteers can have on students, we believe that all parent volunteers should possess the following personal characteristics:

- You must like and enjoy working with children.
- You must feel that being a parent volunteer is an important position, worthy of your time and effort.
- You must be willing to work with many different students in a variety of situations.
- You must be able to accept the responsibility that goes along with your position.
- You must be of good and reliable character.

If you are interested in being a parent volunteer, please fill out the remainder of this form and return it to the Afterschool Program Coordinator.
